1. Aims

This policy aims to:

- Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for all parents and carers
- Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010
- Clarify our expectations for school uniform

2. Our school's legal duties under the Equality Act 2010

The [Equality Act 2010](#) prohibits discrimination against an individual based on the protected characteristics, which include: age, sex, sexual orientation, disability, race, religion or belief, pregnancy and maternity, and gender reassignment.

To avoid discrimination, our school will:

- Avoid listing uniform items based on sex, to give all pupils the opportunity to wear the uniform they feel most comfortable in
- Make sure that our uniform costs the same for all pupils
- Allow all pupils to have long hair, although we reserve the right to ask that long hair be tied back
- Allow all pupils to style their hair in a way that is appropriate for school, and makes them feel most comfortable
- Allow pupils to request changes to swimwear for religious reasons, or if they are experiencing discomfort
- Allow pupils to wear headscarves and/or other religious garments
- Allow pupils with sensory or physical needs to make reasonable adaptations to their uniform, depending on their specific needs
- Allow for reasonable adaptations to our policy on the grounds of equality by asking pupils or their parents/carers to get in touch with Richard Waterhouse, who can be contacted via the School Office, who can answer questions about the policy and respond to any requests. These will be considered on a case-by-case basis

3. Limiting the cost of school uniform

Our school has a duty to make sure that the uniform we require is affordable, in line with statutory [guidance](#) from the Department for Education (DfE) on the cost of school uniforms.

We understand that items with distinctive characteristics (such as branded items, or items that need to have a school logo attached or be in a unique fabric or style) cannot be purchased from a wide range of retailers, and that requiring many such items limits parents/carers' ability to shop around for the best price.

We will therefore make sure our uniform:

- Is available at a reasonable cost
- Provides the best value for money for parents and carers

We will do this by:

- Following the statutory limits for compulsory branded items of uniform and PE kit to a maximum of 3 or fewer.
- Carefully considering whether any items with distinctive characteristics are necessary, and limiting these items where possible, for example by not requiring that any clothing includes the school logo – it is acceptable for it simply to be in school colours
- Avoiding specific requirements for items such as coats, bags and shoes/trainers that pupils could also wear on non-school days. See more information in section 4.1
- Avoiding different uniform requirements for different year/class/house groups
- Minimising different uniform requirements for extra-curricular activities including (but not limited to) sport
- Avoiding requiring different branded items for particular times of the year, such as a branded dress in summer and a branded skirt in winter
- Considering alternative approaches, including loaning compulsory branded items such as sports kit for competitions
- Making sure that opportunities to acquire free second-hand items in a timely manner are accessible to parents and carers of both current and prospective pupils, and publishing this information on our website and via the school office
- Avoiding frequent changes to uniform specifications, and minimising the financial impact on parents/carers of any changes
- Consulting with parents/carers and pupils on any proposed significant changes to the uniform policy, and carefully considering any complaints about uniform in line with the school's complaints policy
- Avoiding single-supplier contracts, to make sure generic items can be purchased from a range of retailers
- Continuing to review this policy, to ensure the cost of our uniform is reasonable and provides the best value for money

Ongoing breaches of our uniform policy will be dealt with in accordance with the school's behaviour policy.

In cases where it is suspected that financial hardship has resulted in a pupil not complying with this uniform policy, staff will take a mindful and considerate approach to resolving the situation and the pupil will not miss classroom teaching because of a sanction.
